

## Room 5

I hope that you all had a very nice Easter holiday! In our class, we had a wonderful Spring party. The children had so much fun hunting for the eggs. Thank you to all the parents for your generosity to contribute to all the needs for our party. Without your support, we would not be able to have such a fun-filled day, so thank you very much!

As the weather is getting warmer, we know that summer is approaching us. Speaking of summer, I would like to let you know that I will be taking a summer vacation this year to visit my family in Vietnam. I will not be here for the summer program, but I will be back in time to get ready for the new school year.

Our school offers a very balanced curriculum with fun-filled activities for the summer. Last year we had lots of fun. I am sure that our children will have much more fun this year, but before we could enjoy all the sun of summer, there are many things needed to be completed.

- \* Th, April 27th & 28th - Cultural Show
- \* Th, May 11th - Open House: "Children's Night"
- \* Mo, May 15th - Parent/Teacher Conference
- \* Mid June - Spring Concert

For the Cultural show, each class in our school will be learning about the culture of a state. Our class is learning about Texas. We have been having so much fun studying Texas. We can't wait to show you what we've done, so please come join us for our show.

Our children have been working very hard and have been learning so many new things and have had so many improvements in all areas. I am so proud of them. I hope to see you at our conferences so that I could share more with you.

Finally, I would love to welcome back Jaydel and our new children: Emily, Cody, Andy, Chase, & Justin! Wow! Our class is getting "bigger." Everyone is doing very well!! We love you all and Welcome!

Thank you very much to all our parents for trusting us, and letting us take care of your children! It is such a pleasure to do our job. Thank you!

Ms. Denise & Ms. Maria 4

## Room 6

We have come to the end of Spring. I welcome the newcomers, Utkash & Haylee. I am happy to say my little friends who have joined us, have gotten used to our daily routine & have performed well in their work.

The "Cultural Show" will be held on the 27th & 28th of April. For the upcoming event, we have chosen Washington D.C. Washington D.C. is the country's most important city. It is the center of government of the mightiest county on Earth. Decisions made by leaders in Washington affect not only the lives of the people in the U.S., but also those in other nations. Washington is the only city in the nation that is not a part of any state. The Capital is administered by the Federal Government & called the District of Columbia.

I am happy to say that the children are learning about many important people, events and places in Washington D.C. & at the same time they get involved making things for the project.

The "Children's Night" will be on May 11th. Please do keep the date free so that you could see your child's work. Our Parent/Teacher conference will be on the 17th of May.

The "Spring Concert" will be in June. We have many more upcoming, interesting events for our Summer program.

I enjoy working with my little friends and am proud of all of them and also a big "Thank You" to all our parents for the numerous ways in which you help us!

Ms. Ajantha

## Summer Adventures

Summer is defined as "usually warmest season of the year, occurring between spring and autumn and constituting June, July, and August in the Northern Hemisphere, or, as calculated astronomically, extending from the summer solstice to the autumnal equinox."

Even though the weather change isn't very drastic from Spring to Summer, the kids are noticing the change between the seasons. With summer comes 4th of July which brings our annual 4th of July parade that the kids enjoy every year.

With summer also comes "Summer Adventures," a fun-filled program that the children enjoy every year, which includes themed weeks, some fun and educational field trips, as well as activities right here at the school. Look out for hand-outs for more information on the summer activities.

**Teacher Appreciation Week**  
May 7-13

**National Teacher Day**  
May 9th

## Important, Friendly Reminders

\* Re Enrollment packages for fall registration will be sent after Parent-Teacher Conferences.

\* If your child is going on Summer vacation, please notify the office

**\*Your FULL signature is required by the Department of Social Services when signing in/out your child.**

**\* Please Note that a 10 (working) days notice is required (as per enrollment agreement you signed) to withdraw your child from school**

\* The school closes at 6 PM. If you are late in picking up your child, you will be charged an extra fee. This applies to the children in the 8:30-12:30 and 8:30-3:00 programs too. Please make sure your child is picked up on time as we have to maintain a student/teacher ratio.
