Welcome Back to the 2007-2008 School Year!!

Dear Parents,

How was your long Labor Day Weekend? We hope you all had a good time with your children and family and are ready for the new school year.

I had a good holiday, but very busy. Ms. Hardeep and I worked in the classroom all day on Friday (In-Service Day). We wanted to give our children a "surprise" welcome back to school.

Now everything is ready. Our classroom is very well prepared, organized and pretty. We are very happy and excited to begin a new school year with full confidence and promise of success.

We would like to welcome back all children who were with me last year and the new ones who just came from Room 1.

We also would like to welcome Miss Hardeep. She will be working with me this year in our class.

This is my third year continuously working here in Room 5. After each year I feel more bonding with our class and with our children. I love and am very proud of them.

Summer is over. Here comes a new school year. Once again, Welcome Back! We look forward to a very happy, successful and productive 2007-2008 school year!

Ms. Denise & Ms. Hardeep

Dear Parents & Children,

Ms. Ajantha & Ms. Shifa would like to welcome all the new children in our classroom and welcome back our 2nd year students. We are looking forward to an eventful year.

In math, some children are learning how to use the beads but most of them are working on their addition and subtraction. Some are doing multiplication and the 2nd years concentrate more in static & dynamic form digit number operations. For each fundamental operation varied Montessori materials are used and it is very exciting to know that most of the children are familiar with the steps and rules to be followed so the materials serves its purpose.

Zoology, Botany, History, Geography, Music and Art are grouped into the Cultural Area.

In Zoology we are now workin on reptiles, mainly about tortoises. We have learned the 7 continents in Geography and are now working on specific parts of each continent starting with our very own North America.

In the Language area, some children are working with the movable alphabet and are sounding words. Sight words and long vowels have been introduced and the children seem to be enjoying working with the flash cards. Our Back to School Night will be on Tuesday, September 18th. Also please remember that class begins at 9:00AM and we expect your child to be in class on time so class will not be disturbed by late comers.

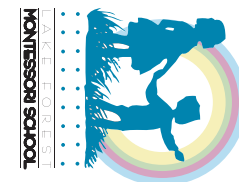

Please do not hesitate to contact one of us. We thank you for supporting your child with his/her work and in being responsible with their assigned duties.

Thank You!

Ms. Ajantha & Ms. Shifa
