

Letters from the Teachers (Cont'd)

Room 6

I welcome all our new children in my classroom and also welcome back our 2nd year students. I am looking forward to an eventful year. During this month of September the older children will continue learning from where they left off the previous year and also they take great pleasure in helping their new friends in their new activities in the classroom.

In language to assess each child's level, a pretest was given. Activities in accordance to their level are what they are working on.

In math the new children are learning how to use beads and most of the, are working on their additions. The 2nd year students will concentrate more in dynamic operations. For each fundamental operation varied Montessori materials are used and it is very exciting to know that most of the children are familiar with the steps and rules to be followed so the materials serve its purpose. Zoology, botany, geography, history, physical science, music and art are grouped into the cultural area. We are learning about the seven continents in geography and we will be working on specific countries of each continent starting with our very own North America and also about the animals mostly found in each continent. Studying the parts of the tree and coloring the parts of it will become an exciting event in botany.

I will appreciate your presence at Back to School night on September 25th. The spirit of festivity begins with Halloween next month. We will be going on a field trip to the Pumpkin patch on October 25th and we will also have our annual Halloween parade on October 31st. we will be passing our goodie bags on the same day too.

Last but not least I look forward to helping your children achieve their best potential.

Ms. Ajantha

Room 7

We are happy to welcome the children back to school for the year 2008-2009. Hope everybody had a wonderful summer. A very warm welcome to our new students joining us in room 7 this year and the children who are continuing from last year. Our classroom is organized into several curriculum areas such as practical life, sensorial, mathematics, language and cultural arts. It is a prepared environment where children will learn at their own pace using Montessori materials.

Our first event for the year is "Back to School Night" which will be held on the 25th of September. Our official; picture day is on the 28th of October and our Halloween party and parade will be held on 31st of October.

Winter will be here soon so please make sure all the jackets have your child's name on them.

We thank all of you for your wonderful support last year and look forward to your continued support again this year.

Together we will continue on our journey towards excellence! It is going to be a GREAT year- welcome back!

Ms. Indra & Ms. Deepika

Thank You To All Parents for:

Referrals

Fall 2008

Exciting New School Year

We, the teachers and staff of Lake Forest Montessori School, warmly welcome back all of our new students as well as returning students. Everyone here at LFMS had a wonderful summer and we hope you did too. We look forward to spending a successful academic year 2008-2009.

Important, Friendly Reminders

* **Refer to the new Tuition Schedules for the new Tuition amounts**

* Please note that lunches are now \$3.50 and the lunch cards are \$35.00 (10 lunches) and \$70.00 (20 lunches)

* Your **FULL** Signature is **REQUIRED** by the Dept. of Social Services when signing the attendance register

* **Tuition payments are due on the 25th of the current month for the next month**

* Please remember to have your child in the classroom on time. The teachers begin their classes promptly at 8:30AM. It can be very disruptive to the class to have late arrivals, and also your child will miss out on important presentations.

* **All Lunch orders MUST be called in by 9AM at the latest!**
